Comments on the Substance of the Interview

An interview was conducted on May 9, 2008 between Examiner Robert Morgan and a representative (Daniel Wasil, Reg. No. 45,303) of Applicants. The Examiner initiated the interview process.

The Examiner agreed that the claims as presented in the informal proposed amendment faxed to the Examiner on February 9, 2008 would upon formal entry place the application in condition for allowance. It was agreed that the Applicants would file the informal proposed amendment as a formal supplemental amendment, and then the application would be allowed.

The courtesy of the Examiner and his willingness to offer suggestions to advance prosecution toward allowance were greatly appreciated.

Respectfully submitted,
